DEADLINE 12 FULL DAYS BEFORE THE END OF THE MONTH.

Kudos from the Chairman

It has come to my attention that this, the 50th issue of the Bugle, also marks the Third Anniversary in its present form. I therefore thought it appropriate, as Chairman of the Association, to insert a few remarks about our newspaper and about the people who make it possible.

The Bugle had a humble beginning back in 1955 and for a period of six months was printed only sporadically. Then in the spring of 1956 a new editorial staff made a more determined effort and published the paper each month. For two years the Bugle appeared in typewritten form reproduced with a Gestetner machine. Then in April of 1958 the decision was made to have a commercial printer print the paper and it has appeared in its present form ever since.

This newspaper serves not only as a means of disseminating community news, but what is equally important, it is used as a media whereby coming events can be brought to the attention of all our residents. In the latter respect it is of course invaluable to the Council specifically and to the Association generally.

I feel that this opportunity should not be lost to record an expression of appreciation to all those individuals who have spent so much of their time making the Bugle the success it is today. First of all, much credit is due to the Editor, Major Chamberlain, who has led the paper from its very inception to the present day. Next, the Assistant Editor, Sergeant Sheppard, about whom a separate article appears in this edition. He is certainly worthy of consideration as "The Citizen of the Month." Then, we owe much to the Advertising Department and here S/Sgt. Macdonald is doing a sterling job to keep the Bugle on a sound financial footing. Major Oslund, the Sports Editor, is always there with good coverage in that Department, and a lady who wishes to remain anonymous, has recently agreed to take on the job of Social Editor. Finally, we must not forget the excellent co-operation of the unit correspondents who faithfully submit news coverage from their units month after month.

So, hearty congratulations to our Community Newspaper and all those who make up its staff. May the Bugle's future continue to be a progressive and successful one.

General Meeting Griesbach Association

A general meeting of the Griesbach Association
will be held in the

AUDITORIUM, No. 1 SCHOOL

— on —

Wednesday, April 19

at 8:00 p. m.

A re-organization plan for the Association will be presented and all residents are requested to attend and present their views.

Griesbach Library

Caricature Contest Winners:

- 1st — Ronald Eberts
- 2nd — Susan Werth
- 3rd — Trudy Kattler
- 4th — Tommy Saunders

Honorable Mention:

- 1st — Ricki Taylor
- 2nd — Harvey Holowinko
- 3rd — Dave Berry
- 4th — Carol Webb
- 5th — Marianne Rasmussen

Entries will be on display in the library until April 1st, or possibly longer if the Grade 6 students do not mind leaving them. There is some very good work on these posters and parents are invited to view these artistic efforts.

* * *

Space does not permit listing many of the 3,500 books in the library, however, the following are suggested reading:

Eye Opener Bob by Grant McEwan — the story of an individualistic Calgary editor around the turn of the century.

The Edge of Tomorrow by Thos. A. Dooley, M.D.

My Story by T. A. Dooley, M.D. This missionary doctor's work, during his brief life span, as founder of Medico and its influence on Eastern Asia, will be more properly assessed in years to come.

Enter Sleeping by David Karp — a brilliant, wild and utterly sane novel with the dreamiest cast of characters ever to provoke laughter — and thought.

No Hiding Place by Beth Day — a treatise on an all too common problem today — alcoholism.

Fix Your Volkswagen by Jud Purvis — is for the owner who wants to do all or part of his own car repairing.

The Sharp Edge of the Sun by Michael Fisher — a haunting story of love, pain and disease in a Cape Town setting.

The Queen's Husband, a Novel of William and Mary by Samuel Edwards — an accurate book based on extensive research. It reveals a tender and regal love story.

The Golden Book of Indian Crafts and Lore by W. Ben Hunt — containing Indian names, details of dress and the meanings of various colored feathers and bead designs. Tribal costumes and dances and a short history of each dance is detailed with many colored illustrations. Although this is a child's book, it could almost be classified as a reference text.

Flint and Feather, the complete poems of E. Pauline Johnson (Tekahionwake) Canada's native poetess.

IF YOU ASK ME

This column is dedicated to the expression of constructive views by residents of Griesbach on subjects of interest to readers of the Bugle. Our inquirer this month raised the following observation:

"One of the more controversial subjects in any community is education and the part the school should play in community life. Do you think the Home and School Association is a help or hindrance to a school and to what end should such an organization use its energy?"

Stated our interviewers . . .

"I sincerely think the Home and School Association is a help to a school. It most certainly is a help to us at home. I feel this energy should be used in bringing together parents and teachers more often and try to get the parents to take more interest in their schools and their children."

* * *

"I think a Home and School Association could be a good thing if used in the right way. For instance, why not an open discussion night to voice the problems of both parents and teachers and a series of meetings dealing with these problems and what to do about them? Maybe inviting guest speakers to help us out."

* * *

"The true function of a Home and School Club should be the attainment of good parent-teacher relationships thereby permitting parents to more readily understand the system whereby their child is being educated. A secondary purpose for this organization is assistance to the school staff in obtaining teaching aids which are beneficial but not on the current scale of issue. If a school is administered by a capable, enthusiastic and efficient school board and there is no shortage of financial resources, there is no need for a Home and School Association because the school board will ensure that the parents are given an opportunity to confer with the teachers (this is, after all, an individual responsibility) and will so manage its budget that ample training aids are supplied. However, if the school board does not have the qualities mentioned above and the local economy necessitates a small budget for education, the Home and School Association appears to be the only democratic way the resultant difficulties can be overcome.

From personal observation, the Griesbach Schools are administered by a board which is capable, enthusiastic and efficient, and there is no apparent need for material assistance from parents. Therefore, a Home and School Association appears to be unnecessary."

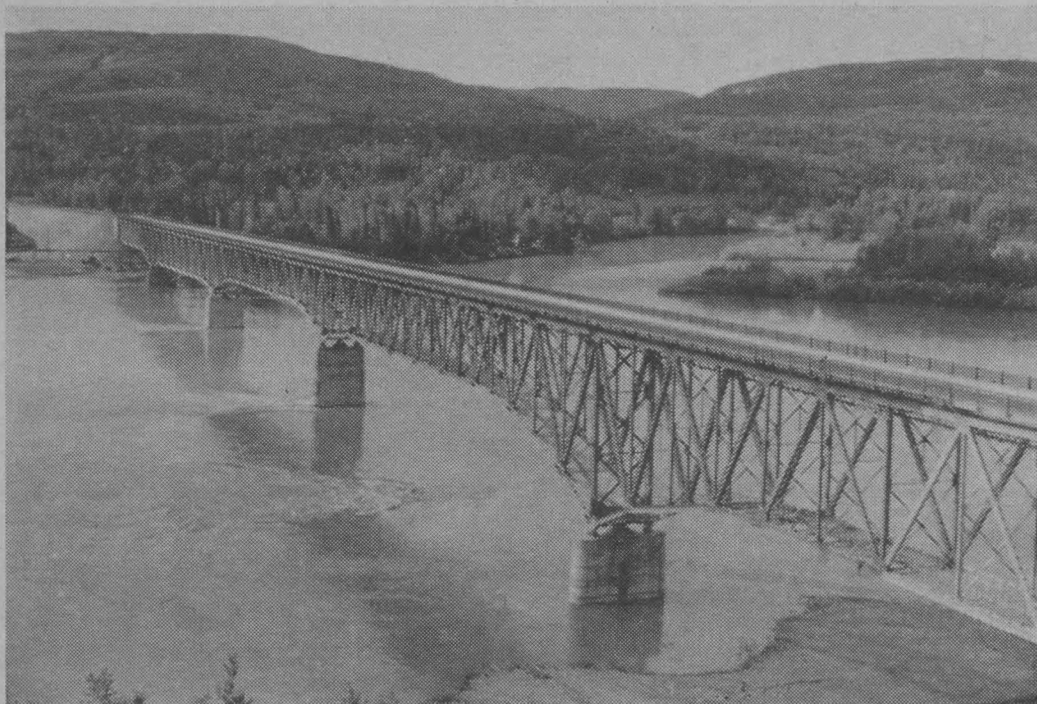

* * *

"The Home and School Association is, and should be a definite help to a school. The education of children cannot be successfully accomplished by any one agency, but requires the full co-operation of the community. Educational methods and objectives change continually and it is through such an organization that these changes are made known to the public. Liaison between the homes and the school is necessary if the teachers' efforts are to be most effective. It is to this end that an organization such as the Home and School Association should exert its energy so that the home and the school, as a team, may produce the calibre of citizen required by our complex society."

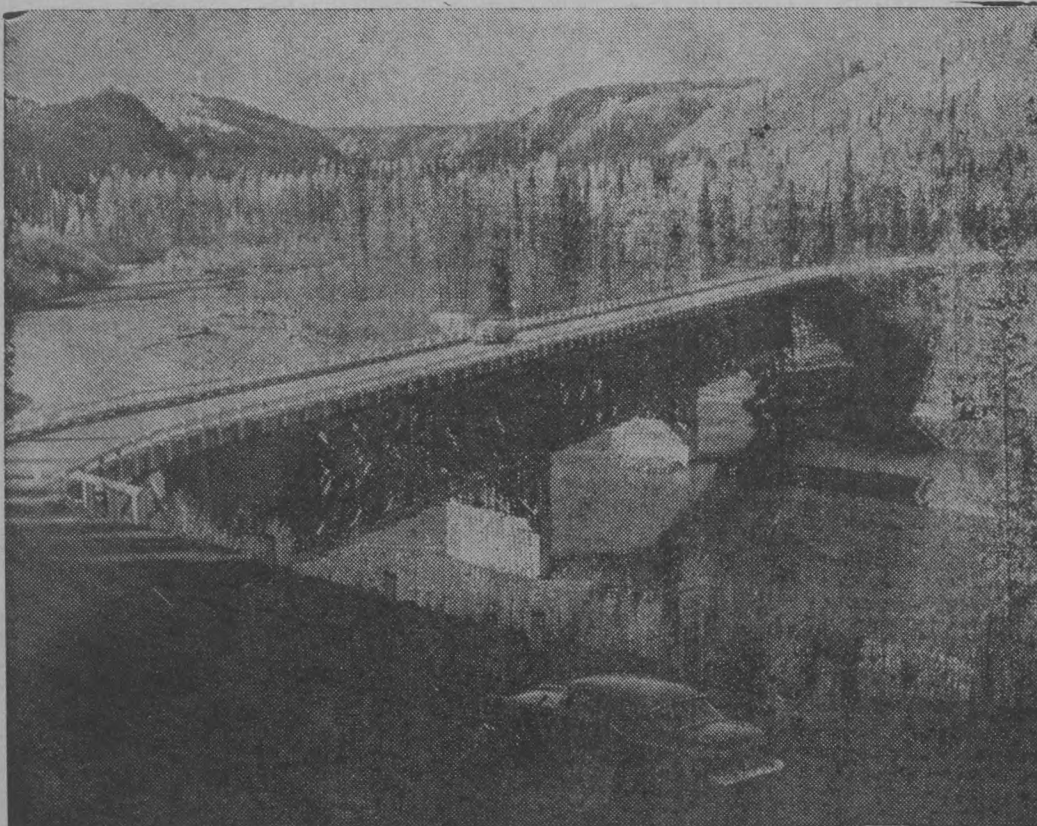

— “Fifteen Years Well Done”

H.Q. North West Highway System

New Peace River Bridge

Sikanni River Bridge, Mile 161 Alaska Highway

Edmonton, Alta. — The Northwest Highway System will observe its fifteenth anniversary on Saturday, April 1st.

On April 1st, 1946, the Canadian Army took over from the United States Army responsibility for the 1,221 miles of the Alaska Highway which lies in Canadian territory. The highway runs from Dawson Creek, B.C., to the Yukon-Alaska border at mile 1,221.4. Headquarters for the Northwest Highway System is at Camp Takhini, Whitehorse, Y.T.

The Alaska Highway is considered to be a major feat of highway engineering involving as it does some 185 bridges and 6,000 culverts. It is kept open all year. Landslides and the unpredictable nature of the alluvial rivers and streams in the north country present unusual problems in highway maintenance.

The system today represents a significant part of the defences of North America, as well as a major economic asset in the development of the North.

The various units which form the organization of the Northwest Highway System will hold functions to note the fifteenth anniversary. Civilian officials of the various towns on the highway will attend.

Major General Geoffrey Walsh, CBE, DSO, CD, General Officer Commanding Western Command, in which the Northwest Highway System is located, in a statement issued for the occasion, paid tribute to the soldiers and civilians who had served on the Highway. He said that since April 1st, 1946, “thousands of soldiers and civilians have performed their jobs tirelessly, sometimes under most difficult conditions, to keep the highway open and to improve it.”

Major General Walsh was the original commander of the Northwest Highway System.

Present commander is Brigadier L. G. C. Lilley.

Commanders since 1946 were: Major General Geoffrey Walsh, Brigadier A. B. Connely, Brigadier E. C. Brown, Brigadier H. W. Love, Brigadier H. L. Meuser and Brigadier J. R. B. Jones.

BRIGADIER L. G. C. LILLEY, DSO, CD

This year marks the fifteenth anniversary of the assumption by the Canadian Army of the operation and maintenance of the Alaska Highway in Canada. This highway, built by the United States Army during the Second World War, was turned over to the Canadian Army on April 1st, 1946. It stretches 1,221 miles — from Dawson Creek, B.C., in the south, to the Yukon-Alaska border in the north.

The Alaska Highway was conceived in time of war as a means of strengthening the defences of

Congratulations

FROM THE G. O. C.

Maj. Gen. Geoffrey Walsh,
CBE, DSO, CD

It gives me a great deal of pleasure to extend congratulations to the Commander of the Northwest Highway System on the occasion of the fifteenth anniversary of the Army taking over control of the Canadian portion of the Alaska Highway.

I should like at this time to point out that since April 1st, 1946, thousands of soldiers and civilians have performed their jobs tirelessly, sometime under most difficult conditions, to keep the highway open and to improve it.

The Northwest Highway System is a vital part of North American defences, to say nothing of its rapidly increasing importance from the point of view of the economy of Canada.

As a former commander of the Northwest Highway System, I am extremely proud to serve again with it and to have the honor of having it under my command.

There is only one thing to say, and it should be said with emphasis — “Fifteen years well done!”

the North American continent. It served that purpose well.

Today, the Alaska Highway is serving an equally worthwhile purpose — as a major means of transportation for the development of an important section of Canada's northland. Transportation is the key to opening up new areas, and the major developments which have occurred in northern British Columbia and the Yukon Territory since the Second World War are indicative of the value of the Highway.

All personnel, both military and civilian, of the Northwest Highway System, are appreciative of the responsibilities associated with the maintenance of the Alaska Highway and are proud of the part they are playing in the development of Canada.

Meet the PPCLI Cadet Corps

Little is heard of this group of young Griesbach boys who take their training as members of the Royal Canadian Army Cadet Corps as serious business. Once a week they assemble in the PPCLI Drill Hall to take part in their training, the aim of which is to provide them with a sound knowledge of

military fundamentals based on the qualities of leadership, patriotism and good citizenship. Each Cadet is proud of the part he plays in this national movement, the success of which is due solely to the high calibre of instructors provided.

POSTED TO CONGO . . . AS REPLACEMENTS

Sergeant Robert Emo of Oakville, Ont., has been posted to No. 57 Canadian Signal Squadron in the Congo. A member of the Royal Canadian Corps of Signals, Sgt. Emo has been with the Alberta Signal Squadron in Edmonton for the past three years. During the Second World War he saw service in Iceland, the United Kingdom, and Northwest Europe. He was taken prisoner during the Dieppe raid in 1942 and released in 1945. Sgt. Emo was a member of No. 56 Canadian Signal Squadron with the United Nations Emergency Force in the Middle East from 1956 to 1957.

His wife Lorraine, lives at 10303-149th Avenue, in Edmonton.

(National Defence Photo)

TO COMMAND BRITISH DIVISION

Her Majesty The Queen has approved the appointment of Major-General Jean Victor Allard, CBE, DSO, ED, CD, of the Canadian Army, to be Commander of the 4th Division, British Army on The Rhine in Germany, in November, 1961.

We welcome this appointment for such a distinguished Canadian Army Officer. Exchanges of officers between British and Canadian forces have taken place during and since the Second World War. However, this will be the first occasion when a Canadian Army Officer will command a British Division.

From time to time the 4th Canadian Infantry Brigade Group serving under NATO in Germany, trains with the British 4th Division.

General Allard is now Vice Chief of the General Staff at Army Headquarters in Ottawa. He had an excellent record as a field commander throughout the Second World War. In 1953 General Allard commanded the 25th Canadian Infantry Brigade in Korea where he then served under British Army divisional command.

Signalman Marvin Larson of Rose Valley, Sask., will be posted to No. 57 Canadian Signal Squadron in the Congo, in May. A member of the Royal Canadian Corps of Signals, Sgmn. Larson is stationed with the Alberta Signal Squadron detachment in Camp Wainwright, Alberta.

(National Defence Photo)

Signalman Noel Pudetz of Melville, Sask., will be posted to No. 57 Canadian Signal Squadron in the Congo, in April. A member of the Royal Canadian Corps of Signals, Sgmn. Pudetz is stationed with the Alberta Signal Squadron detachment in Camp Wainwright, Alta., as a radio and telegraph operator.

(National Defence Photo)

Signalman Gaetan Tremblay, of Kingston, Ont., will be posted to No. 57 Canadian Signal Squadron in the Congo in mid-April.

A member of the Royal Canadian Corps of Signals, Signalman Tremblay has been with the Alberta Signal Squadron in Edmonton, Alta., for the past year.

His wife Marlene, lives at 12027 127th Street, in Edmonton.

(National Defence Photo)

Corporal Stewart Berg of Edmonton, Alta., has been posted to No. 57 Canadian Signal Squadron in the Congo. A member of the Royal Canadian Corps of Signals, Cpl. Berg enlisted in 1942 and saw service in the United Kingdom and Northwest Europe during the Second World War. After the war he served for six years in the Northwest Territories with the Northwest Territories and Yukon Radio System and a tour of duty with No. 56 Canadian Signal Squadron in the Middle East.

His wife Edna lives at 9901 - 163rd Street, Jasper Place.

LOCAL METRE

A little more talent came to light this month when we received the following poem. Jim Carter, age 15, of 150 23 - 105th St., PMQ 440, has spent the better part of the last two years in hospital and as a result, there's probably no one better qualified to comment on the daily routine of

A DAY IN HOSPITAL

At six o'clock the morning starts,
The lights flick on and we all groan
And in our open mouths, like darts
Thermometers are thrown.

Our temperatures and pulse are taken,
We try to clear our drowsy heads
And though we've barely half awoken,
They start to strip the beds.

They bring in water and just say, "Wash!"
Thinks me, "I'm going to have some fun,
I won't do nothing." But by gosh,
They make sure the job is done.

By eight some hungry pangs appear,
You need some food, and need it fast,
But not until nine-thirty's near
Does breakfast come at last.

"You can't get up," your doctor said,
Just try it once, can't do no harm
"Not by yourself, you'll break your head,"
The nurses cry with great alarm.

But up you get, and then somehow
The nurses seem to all have fled,
You tire soon and just look now
You can't get back to bed.

Dinner time soon rolls around,
The trays are big, you plainly see,
The only edible things you've found
Are crackers, milk and tea.

The dinner's gone, the maid comes in
Armed with bucket, mop and broom,
She scrubs and scours *everythin'*
And still she leaves a messy room.

Let's not forget that some have ills
But I'm not sick at all, and yet,
They bring me medicines and pills
And needles, that you can't forget.

Then visitors come to bring you cheer
They chat together, laugh about,
They have the meeting of the year
And you're the only one left out.

My trusty wheelchair then I board
It isn't fast, in fact it's slow,
But quickly as I leave the ward
The head nurse orders, "Back you go."

Then after supper, which, of course
Was bad, but somehow got us fed,
We watch TV and then by force
They throw us back to bed.

By half past ten the lights are off,
They warn us not to make a peep,
But that's when we tell jokes and laugh
By two a.m., we're fast asleep.

CARPET BEETLE

It has been reported that some PMQS have become infested with carpet beetles, and probably many more infestations are present but unrecognized.

The adult form of this beetle is small and not often seen. (The adult does no damage). They are smaller than the larva (worm-like), form which are often seen if infestation is present. The larva are slender-tapered, reddish-brown grubs. The joints between the body segments are a pale-creamy white, whereas the segments themselves are dark-brown. The body of the larva bears a characteristic tuft of long hairs at the end of the abdomen. When full grown, the larva are about $\frac{3}{8}$ of an inch long.

In the home the insect is common in floor cracks, baseboards, under carpets, in cupboards, in neglected trunks, and in cold air ducts of hot-air heating systems.

Adults often find their way to homes and lay their eggs. The larva which eventually hatches, is long-lived (about 8 to 12 months or longer under ideal conditions. This insect causes damage often ascribed to wear and tear or to defective material. It is more tenacious of life than the clothes moth and its ability to survive on a wide variety of foods, aids in maintaining infestation.

Residents can do much to control infestation:

1. Moth-proofing of susceptible clothing is an effective control measure.
2. Do not leave clothing undisturbed, e.g. leaving winter clothing in one storage during summer months and vice versa. Remove, brush and air frequently.
3. Thorough vacuuming around baseboards and cracks of the floor. It vacuum bag is not emptied from material in infested rooms, however, infestation is not controlled.
4. Remove and air rugs regularly and vacuum thoroughly the floor beneath.
5. Eliminate collections of dust and lint.
6. Stored linen should be checked frequently, and such cupboards should be vacuumed.

COMING UP

Continuing its service to readers, the Bugle herewith publishes a list of useful and interesting dates for the month of April.

April 1st to 8th — Passover — Jewish holiday.

April 2nd — Easter Sunday.

April 2nd to 8th — Honey for Breakfast Week.
(National Beekeepers' Council).

April 3rd — Easter Monday — holiday throughout Canada.

April 3rd to 6th — Ontario Education Association Convention at Toronto.

April 3rd to 8th — Manitoba Winter Fair at Brandon.

April 6th — North Pole reached by Robert E. Peary, 1909.

April 9th to 15th — National Wild Life Week.

April 10th and 11th — Industrial Accident Prevention Association Conference, Toronto.

April 10th to 12th — Fisheries Council of Canada Annual Meeting, Toronto.

April 11th — Peace of Utrecht signed, 1713.

April 12th — 100th Anniversary of the beginning of American Civil War.

April 12th — Franklin D. Roosevelt died, 1945.

April 14th — Abraham Lincoln assassinated, 1865.

April 15th — Titanic sank, 1912.

April 16th to 22nd — Chamber of Commerce Week.

April 16th to 22nd — Canadian Book Week.

April 21st — National holiday of Israel — Independence Day, 1948.

April 21st — Queen Elizabeth born, 1926.

April 23rd — St. George's Day—Newfoundland provincial holiday.

April 23rd — William Shakespeare born, 1564; died in 1616.

April 23rd — George Vanier, Governor-General of Canada, born, 1888.

April 25th — First ships entered St. Lawrence Seaway, 1959.

April 25th to May 1st — Kiwanis Canada - United States Goodwill Week.

April 29th — National holiday of Japan Emperor's birthday.

April 30th — National holiday of Netherlands — Queen Juliana's birthday.

COUNCIL BRIEFS

With personnel away on duty or leave, Council attendance was reduced to ten members. The members present, however, were faced with a full agenda which required five hours to complete. The Chairman welcomed Major B. Bolster to Council. Major Bolster represents Ward 7 and is also Chairman of the Ways and Means Committee.

* * *

The Chairman briefed Council on the recent canvas for new contributors to the Association. Although it has not been completed, the results are very encouraging. He also advised Council that a closer check will be made to ensure that all new residents are approached. Council members reported that many residents complained that their units were not collecting their contributions. The Chairman advised that this matter was receiving close attention and he was sure it would be corrected.

* * *

Council approved Saturday, 3rd June as the date for the Community Fair. They agreed the Fair should be operated similar to last year but on an expanded scale. The Chairman of the Ways and Means Committee will be in charge of arrangements.

* * *

The Chairman advised Council that the Jackpot prize of \$200.00 was won at the Ladies' Bingo on March 1st. It was explained that through a misunderstanding no snack bar facilities were available. The Chairman of the Ways and Means Committee was requested to investigate plans that will provide further interest in the Bingos.

* * *

Library Chairman reported that a caricature contest of comic page characters is being held by the Library. It is restricted to Grade 6 students. The purchase of a set of encyclopedias for reference use in the library was discussed. The Council felt that the lack of reading space in the library would not enable full use to be made of a set of encyclopedias at this time.

* * *

Council approved an expenditure

TRADING POST CLOSING

It was with a great deal of reluctance that Council, at their 15th March meeting, decided to close the Trading Post. Council felt that the small amount of business done by the Post did not warrant keeping it operating. The building, however, will be kept and put to some other use.

SM (WO 1) Delaney has asked that all residents having articles at the Trading Post, contact him at GR 7-6874 and arrange to pick them up.

of \$30.00 to cover the purchase and installation of a steam whistle. The whistle to be used as a time check and "come home" signal for young children.

* * *

Council dealt in detail on plans for a summer recreation program for children. It was agreed that the Council Chairman and the Recreation Chairman prepare a brief on Council's suggestions for presentation to the Commander, Alberta Area. The operation of skating facilities during the past winter came under lengthy discussion. Council agreed that small rinks located throughout Camp were not successful and accepted Recreation Chairman's plan for one large skating surface near the present rink and another large one near the Trading Post. The Recreation Chairman was also requested to prepare recommendations on the cleaning and supervision of rinks for next winter.

* * *

Council approved new Terms of Reference which would reorganize the Association as the Griesbach Council. Council directed that these Terms of Reference be presented to a general meeting of the Association for their approval.

* * *

Council approved the recommendations of the Chairman that the Trading Post cease operation. The Chairman advised that it had not worked out for a number of reasons and it did not appear that it would. The Council agreed that the Association should retain the building.

* * *

After considerable discussion Council agreed to sponsor an Archery Club, provided certain provisions were agreed to.

Griesbach Garden Competition Announced

Elsewhere on this page the editor is repeating the "Corner for Gardeners" series which proved so popular last year.

Readers will be interested to learn that the Griesbach Association is planning a competition for the best-kept residents' grounds in Griesbach this summer. The Area Commander has kindly consented to make a generous grant from the Central Fund for prizes.

A committee is being formed who will be responsible for preparing the rules of the Competition and devising the method of judging the winners. Details will appear in the next issue of the Bugle.

3 June '61

Bigger and Better than Ever WATCH FOR DETAILS

BALLET NEWS

Sponsored by the Griesbach Association, dancing classes are held in No. 2 School each Saturday. Miss Marilyn Woodcock, M.R.A.D., reports that all sessions — Tap, Modern Jazz and Ballet are progressing favorably.

The young children wear the regulation Royal Academy white tunics. Black leotards and tights are worn by the older pupils. Tap Dancing students are smartly costumed in short form fitting dresses of black with ruffled skirts.

Point work or "on Toe" as this phase of ballet is known, is now being introduced to students who have had more than one term of dancing. The new class of Modern Jazz started this year, is comprised of teen age boys and girls and these enthusiastic youngsters are preparing for a public demonstration.

At this time of the year pupils interested in taking Royal Academy examinations, start their extra instruction. The examiner from London, England, will be in the Edmonton area in the early spring. For the past two years children of Griesbach have taken these examinations with splendid results.

The annual presentation of "Ballet in Miniature", an event which residents feel has become an "institution" in the camp, will be presented some time in June. Proceeds from last year's recital have been used to defray expense of recent installation of ballet barre. Pupils and teacher express their thanks to the Griesbach Association for their co-operation in the installation. A special "thank-you" to Mr. Dales, Secretary of the Association. A mirror, through the courtesy of the teacher, has also been acquired. Correct music is essential for these students and Mr. D. Hardage plays the Royal Academy Syllabus music. Tap and Modern Jazz enthusiasts have their special rhythms.

Parents are invited to attend the "Open Classes" which are held on the first Saturday of each month.

RECEIVES AWARD

PERSONALITY OF THE MONTH

Sergeant Ralph Sheppard, right, a native of Edmonton, 10527 - 150 Ave., receives a scroll from Major H. H. Hennie, chairman of the Griesbach Association at Griesbach Barracks, in appreciation for the work he has done as assistant editor of the camp's monthly paper, Griesbach Bugle. The scroll reads in part "in recognition of outstanding community support - in that he with great energy and ability did, and continues to, devote much of his time to the appointment of assistant editor of the Griesbach Bugle."

Community Calendar for April

Date	Time	Event and Location
4th	8:00 p.m.	CWA Monthly Meeting — R. C. Chapel.
5th	8:00 p.m.	Ladies' Bingo — No. 1 School.
6th	4:00 p.m.	St. John's Chapel Council Meeting; Protestant Chapel.
10th	8:30 p.m.	Cub and Scout Mothers — No. 1 School.
11th	8:00 p.m.	W.A. General Meeting — Protestant Chapel.
14th	7:30 p.m.	HQ Western Command Sergeants' Mess Dinner.
15th	8:00 p.m.	Y.P.A. Dance — No. 1 School.
15th	8:00 p.m.	C.W.A. Bingo — No. 1 School.
18th	8:30 p.m.	Brownie and Guide Mothers — No. 1 School.
19th	8:00 p.m.	Griesbach Association General Meeting; No. 1 School.
21st	8:00 p.m.	W.A. Reception for Dr. Jackson — Protestant Chapel.
21st	8:00 p.m.	Y.P.A. General Meeting — No. 1 School.
25th	8:00 p.m.	W.A. General Meeting — Protestant Chapel.
26th	8:00 p.m.	Griesbach Ladies' Club — Griesbach Sgts' Mess.

To include your club or group meeting dates in succeeding issues, Phone GR 9-8411, Local 323, before the 20th of each month.

Corner for Gardeners' Lawns

Over the next three issues it is hoped to provide readers of this Corner with a few helpful hints on lawns, gardens, flowers and trees. As we can work on our lawns early in the spring, this first article will provide a few hints on lawn care.

Authorities estimated that over 50% of the funds and effort expended each year on our Canadian home lawns is wasted. Many common practices are even injurious to lawns rather than beneficial. Some of the common errors and newer practices are explained in this article to assist the readers in developing a better lawn.

No part of our beautification programme will contribute more to the beauty of the home grounds than a good lawn.

Dressing

Established lawns may be improved by applying a very thin dressing of top soil. Not over half an inch of good top soil may be evenly raked into a lawn. This should stimulate grass growth and improve the soil texture.

Before applying a top dressing the lawn should be raked. Use an iron garden rake, raking first one way and then the other way. This removes the dead grass and reopens the surface to permit air to enter.

Mowing

Regular mowing at frequent intervals is required to maintain a good turf. The frequency of mowing should be gauged to the rate of growth rather than the day of the week.

When mown at a height of 1½" to 2" lawn grasses will compete favorably with weeds. Mowing grass too short may damage the root crowns and thus rob the plant of its food manufacturing capacity and its ability to renew growth.

Efficient cutting at the proper height can only be attained with a well adjusted and sharp lawn-mower. Torn or bruised grass blades dry up and turn brown with the entire lawn taking on a seared appearance.

Grass clippings are beneficial and should be left on the lawn unless they are in a very thick layer.

In shaded locations grass should be cut less frequently or at a height at least one inch above the cutting height of open lawns.

Watering

The moisture requirements of established lawns will depend to a large extent on the soil on which the grass is growing. Heavy soils require much less water than the lighter sandy types. Generally speaking, however, all lawns should be given infrequent heavy soaking rather than frequent light ones. Frequent light watering en-

courages surface rooting, whereas the ideal watering system provides sufficient water, at each application, to penetrate to a depth of from 4 to 6 inches.

Most grasses grow vigorously during the spring and fall and are semi-dormant during hot summer weather. Some browning of the grass during the hot weather should cause no alarm.

Fertilizing

In our area a spring application of fertilizer is preferable to a fall application. All our lawns will benefit from an application of fertilizer containing a high percentage of nitrogen at this time of the year. (The first figure in the fertilizer formula indicates the percentage of nitrogen, the second phosphorus and the third potash).

Fertilizers are spread on dry lawns. If fertilizer is applied on a lawn wet with dew or rain, the grass may suffer chemical burns. Commercial fertilizers must be used carefully because excessive amounts or incorrect methods of application can cause damage.

The spreading can be done very satisfactorily by hand although some people prefer a mechanical spreader. In order to ensure uniformity of application it is usually best to divide the fertilizer to be used into two or three portions.

Immediately after the spreading of fertilizer on a lawn, a generous watering should be given. A good rain or shower is even better!

Weed Control

Dandelions and many other broad-leaved weeds can be effectively controlled in lawns with 2, 4-D.

The chemical must be applied carefully, however, to prevent damage to susceptible plants such as trees, shrubs, flowers and vegetables. It should be applied only on a calm day, and the spray kept under control at all times. Best results are obtained if the 2, 4-D is applied when the grass is dry and air temperature is 65 degrees or above. Time of application is also an important factor. Weeds are more easily killed if the treatment is given during the latter half of May or first week in June. It is not advisable to use 2, 4-D after that time.

Rates of application and other directions are given on containers prepared especially for lawn use. These directions should be followed carefully.

After applying 2,4-D, don't water the grass for at least 24 hours nor mow for at least 3 days. Sprayers or other equipment used in applying 2,4-D, should be kept solely for that purpose.

Bare Spots

Lawns sometimes become poor in places due to packing of the

soil. Poor growth of grass in such places is at least partly due to air not getting into the soil sufficiently well to promote good soil activity. Improvement of such lawn areas without digging up the grass is difficult.

There are special tools made for loosening soils but very few of us have them. Corts of soil, however, can be removed by using a sharpened piece of pipe 1" to 1½" in diameter. Holes made 6" - 12" apart and at a depth of 6" - 15" will soon fill with grass roots if the area is kept watered.

LUCKY BINGO WINNER

The March 1st Ladies' Bingo drew the largest crowd of the season.

The happiest lady of the evening was Mrs. H. H. Brown, PMQ 512. She took home the \$200.00 Jackpot prize.

Bigger and better Bingos are planned for future months starting with the April 5th Bingo. As the ladies have requested it, the Bingo Committee have decided to give cash prizes only with a merchandise door prize. The Jackpot prize will also be played for as in the past.

Due to a misunderstanding, refreshment facilities were not available at the March 1st Bingo. The Bingo Committee apologize for this and assure the ladies that these facilities will be provided at future Bingos.

Young People's Fashion Show Well Attended

The 18th of March marked the date of the Easter Parade of Fashions and Tea which was presented by Griesbach Young People's Association and sponsored by Simpson-Sears. The event, under the direction of Mrs. Schutema, was held from 2:00 to 4:00 p.m. and was presented twice. The girls, all in their teens and trained by Mrs. Schutema, looked very lovely as they modelled teenage spring frocks by Simpson-Sears. Each girl wore three different sets of fashions. Miss Lynne Eberts acted as commentator and did very well indeed. The hostesses were Verna Delaney, Gery Beck and Marian Ashmore. There were approximately 200 guests in attendance.

Too numerous to mention, but still appreciated, were the 30 girls who attended at the tea, as well as Mrs. Kemsley, Mrs. Middlemiss and Mrs. Delaney. Mrs. Lee Taylor provided background music.

Hair styles by Elizabeth of 9420 118th Ave., and DuBarry make-up by Richard Hudnut set off the stunning spring fashions. The girls presented wardrobe through a garlanded arch leading to the ramp in the centre of the hall. The

(Continued on Page 16)

Town Talk

SOCIAL TID BITS

Thanks to the gracious help of one of our citizens, who wishes to remain anonymous, we are again able to bring you our column of social highlights. We do appreciate her assistance.

* * *

Saturday, March 4th, was Bingo night at the Headquarters Sergeants' Mess. Those of you who were unable to attend, missed a good evening of fun. Prizes included a portable electric mixer, coffee serving set and a Kodiak blanket. A delicious lunch was served.

A Red Cross blood clinic was held in the P.T. Building on Monday and Tuesday, March 6th and 7th. Over 400 pints of blood were donated and Red Cross personnel were assisted by members of the Sergeants' Ladies' Club. Free coffee, cokes and cookies were served to all blood donors.

"Wearing of the Green" was very much in evidence at St. Patrick's dance in the Headquarters Sergeants' Mess, but you didn't have to be Irish to get into the swing with the "Starlighters" to dance to. A good time was had by all.

Were you at the 'Teen Fashion Show and Tea on March 18th? If not, you missed a very pleasant afternoon. The wonderful new spring fashions were beautifully modelled by our own 'teen girls and I would like to give a vote of thanks to the Y.P.A. for putting on such a grand show.

Warning to housewives! Beware of those specials — they aren't always the bargain they seem to be. Maybe you're more alert than I am but I was almost taken in at one large grocery that advertised three cans of meat for 99 cents. Yet on the shelf they were stamped 27 cents each. A saving to the store of 18 cents! This may have been an error in stamping, but it's wise to carry pencil and paper with you when you're shopping, or better still, take your husband!

If you have any items of social interest, please phone GR 9-5716.

SUGGESTIONS WANTED

Help us to improve the Community Fair this year.

In the past years the Fair has been successful and every effort will be made to continue the good work. Any suggestions to make the Fair even more successful will be appreciated.

Suggestions should be phoned to Major Bolster, Local 539 or to Cpl. Bones, Local 580. Suggestions for games or competitions would be particularly welcome.

The Fair this year is to be held on Saturday, June 3rd, at the usual place — west of No. 1 School.

This Fair is intended for the entertainment of the residents of Griesbach, so do not hesitate to make any suggestions that are reasonably legal, moral (the Padre will be there) and physically possible.

VOLUNTARY CONTRIBUTIONS

Griesbach Association

Many residents of PMQs have registered complaints about the method of collecting the voluntary contributions for the Griesbach Association. This has resulted in a reluctance on the part of some residents in contributing.

Your Council has agreed, effective immediately, that residents may now contribute on a yearly basis should they so desire. (A minimum of 50 cents per month is requested).

Those wishing to contribute on a yearly basis are requested to fill in the pro-forma shown hereunder and forward it with the contribution, cash or cheque, to the Secretary-Treasurer, Griesbach Association, HQ Western Command.

YEARLY CONTRIBUTION — GRIESBACH ASSOCIATION

(Number) (Rank) (Name) (Unit)

residing in PMQ No., herewith submit my yearly contribution

to the Griesbach Association in the amount of \$.....

SPORTS PAGE

FISH AND GAME NOTES

All persons interested in fishing are reminded that the 1961 fishing licenses are now available from WO2 Lewis at Command G Branch. The licenses are effective April 1st and are good for one year. In keeping with the Provinces of British Columbia and Saskatchewan, the Alberta Government has increased the fee to \$200 from the previous \$1.00 rate.

At a recent meeting of the Fish and Game Association, it was decided that a series of basic lessons on fishing would be given to all children between the ages of 8 and 14 years who are anxious to learn fishing fundamentals. Expert instruction will be provided by club members. Classes will commence during the latter part of April.

GOLF NEWS

A well attended general meeting was held on February 28th. The elected Executive for this year is as follows:

President — Major Bolster
Vice-Pres. — Captain Zerbin
Secretary — Sgt. L. C. Henderson
Treasurer — Sgt.-Maj. James

The past president, Capt. Buxton, will be an advisory member on the executive. The program included a film of the 1960 Canadian Open Tournament.

Unit representatives have been appointed and a membership drive will start in the near future. The membership fee will again be \$2.00 and the day's play on the season ticket will start at 50c. As the Riverside course is more popular than the Municipal (the only other available course), the season tickets will again be purchased there. A split between the two courses makes tournaments too awkward.

Everyone is encouraged to join the Association and enjoy this healthy sport at the lowest cost available anywhere. Three sets of clubs (one left-handed) are available for loan to club members on a daily, first-come first-served basis, and sets are available at the Riverside Course at 75c a round. All equipment can be purchased through the club at wholesale rates.

All we have to wait for now is for the grass to grow!

TEEN SPORTS

The date is March 12th, the day is Sunday, the time is between 3:00 and 4:30 p. m. Already Fred Dunn, Raymond Caesar and Michael Irving have hit the mark. Suddenly John Parton breaks clear to blast one past Bob Paterson. Soon it is all over. They have won. "They" are the Commandos and the team has taken the second game of a three-game series 4-1. The other force in this powerful drama are the Warriors and they are, indeed a force to reckon with as was seen last week when goalie Hazen Codner led his team to a 3-2 victory. Marksmen for the Warriors were Dave Lewis, Ricky Lewis and again John Parton; while two unidentified players counted for the Commandos. Thus these two greats of the Griesbach Teenage Hockey League are deadlocked in their exciting struggle.

However the champions will be chosen in their next gruelling battle which is to take place one week from the above date. When this is over an all-star team will be chosen to play against Calder. I might be added that to date the league's biggest scorer is Rick Lewis.

Here we have, from left to right, Hazen Codner (Warriors), and Bob Patterson (Commandos), who are

rated by all as the two best goal-tenders of the league.

"C" Hockey League

The "C" Hockey League got off to a bad start this year. It started late and was plagued with changes of weather, poor ice conditions, an unsatisfactory change hut and little practice time.

The League was originally started this year to try to even off the teams to promote good sportsmanship and to teach the younger children the game. In the majority of cases this was accomplished, however, it was not always possible to watch all games.

The League consisted of four teams: the Fyers, Totems, Comets and Cougars. The coaches were: S/Sgt. McNeil, Sgt. Mazerall, Sgt. Hidson and Maj. Mainprize. These coaches were assisted by Sapper Couture, Cpl. Goodridge and Capt. Buell.

The coaches gave unstintingly of their time and effort and contributed greatly to the limited success of the league. It was disheartening for them to call practices and turn out for games, not knowing if they could field a team. Even when players showed up they had little personal equipment; skates not sharpened and hockey sticks broken or poorly taped.

No matter how hard the coaches try, you cannot create a happy group of boys nor teach them true sportsmanship without co-operation.

The league was suspended in the middle of the season because of poor ice, extreme cold and no heated accommodation. We cannot hope to keep this league going without better facilities and more co-operation from the parents.

The Flyers won the regular round of games, however, the finals were not run off due to poor ice and warm weather. The semi-finals were won by the Flyers and the Totems.

An enlightening incident is worthy of note. Small players who couldn't skate or stand up without their hockey sticks, were playing for all their worth against experienced players. No one was hurt in the league and we are sure the youngsters have gained valuable experience from the league.

No mention is made of the high scorers. We are concentrating too much on winning and not enough on teaching our children the art of playing sports. It is all the players on a team who give us good teams, fine leagues and good sportsmanship.

Let's hope that next year the league gets off to an early start, with good ice and a place to warm their toes, change their clothes and generally be comfortable between periods.

Once again thanks to the coaches and assistant coaches for their effort and time spent in helping the young lads. Thanks also to those boys who turned up regularly and played with spunk and spirit if not "know how."

SOCCER

It won't be long now before the Griesbach Boys' Soccer team starts off again.

Last year was our first year and a real successful one too. We started badly but we improved 100 percent by the end of the schedule. We should get off to a fine start this year.

We are also wondering about the youngsters who do not play baseball but perhaps would like to play soccer if a league were organized within camp separate to the team which is in the City League.

The Boys' Team in the City League will be for ages 12 to 14. (A boy is eligible if he is not 14 before April 1st, 1961).

The city league will commence late May and finish by late June.

Information on the city league and camp league will be given out shortly.

Griesbach Badminton Club

This year has been one of the most active for Badminton this Province has seen for quite some time. The yearly Edmonton City Championships were held during January and in Calgary the Dominion Open was held in which players from as far away as Sweden, Norway, England, Burma and Indonesia participated.

Not to be outdone the Griesbach Badminton Club entered its members — from what was left after other commitments such as courses, exercises and Officer Qualification Study Groups — into the Sturgeon Lake District Badminton Tournament. This tournament was inaugurated this year and included the following clubs: Namas Badminton Club, Lancaster Park Badminton Club (RCAF) and the Griesbach Badminton Club. The hard

working executives of these three clubs decided to have a shield which would be known as the Sturgeon Lake District Badminton Shield. This Shield would be awarded to the club that had won the most games throughout the tournament, one point being scored for each win.

This tournament was held 26th and 28th of February and finished up with the finals being played at the Namas Badminton Club on the 1st of March. The Griesbach Badminton Club tied with the Lancaster Park Badminton Club (RCAF) with Namas Badminton Club a close third. The Lancaster Park Badminton Club will retain the shield for the first six months and Griesbach Badminton Club the last half of the year.

All told there were approxi-

mately 75 ladies and gentlemen who participated. Listed below are the winners who played in the last three games of the five matches:

LADIES' DOUBLES

Griesbach Lancaster Park
D. Meisner defeated H. Ewashko
B. Comfort M. Ewashko
Namas Lancaster Park
Vi Samis defeated Linda Tucker
Arlene Spears Jeanne Wagenaar
Griesbach Namas
D. Meisner defeated Vi Samis
B. Comfort Arlene Spears

MEN'S SINGLES

Lancaster Park Namas
A. Ashworth defeated Don Spiers
Griesbach Lancaster Park

The executives members of the clubs are to be congratulated for

their efforts in organizing this tournament which will be held yearly hereafter.

Many thanks to the ladies from the three clubs who prepared and served the goodies. Since we are in the congratulatory mood, Jim Nagle of the Lancaster Park Badminton Club (RCAF), must be given a pat on the back for his efforts as the Draw Master for this tournament.

On the 12th and 16th of April at 8:00 o'clock the senior members of the Griesbach Badminton Club will have their yearly tournament and small trophies will be given to the winners in the following matches, men and women singles, mixed doubles, men and women doubles.

The junior members have not been forgotten. They too will have their own tournament after the Easter Examinations. Dates will be notified later.

Officers' Mixed Curling League

Unfortunately as this short column is being written, the league standing cannot be given because there are still several important games to be played. No doubt by the time the "Bugle" reaches your home, the results will be out. Indications at present are that the Callaghan and Lucas teams will be playing off for the Bradburn trophy.

As a wind-up to the good fun and comradeship enjoyed by all members of the league, a party will be held in the Officers' Mess, 2 PPCLI, on April 15th. At that time the controversial questions of who has the better rink can be continued.

Following a dinner, there will be the presentation of prizes and the Brigadier Bradburn trophy. Details of the party and the winners of the prizes for the Bonspiel will be mailed around the end of the month.

Griesbach Little League Baseball

It won't be very long now before the 1961 season gets started.

This year we hope to begin again on May 24th weather permitting).

Once again we must make our yearly appeal to the parents of Griesbach, to all the troops and to all others interested in helping out. **WE NEED COACHES, ASSISTANTS, UMPIRES, SCOREKEEPERS**

to make the league run and to help with the PONY LEAGUE team. Please be at the meeting in the Conference Room, HQ Bldg., 1500 hrs., April 13th.

The age group for youngsters is: **Little League**

At least 10 and not 13 before August 1st, 1961.

Pony League

Not 15 before August 1st, 1961.

Don't forget — **Meeting in Conference Room, HQ Western Command Bldg., at 1500 hrs., Thursday, April 13th, 1961.**

Western Command Mixed Bowling League Results

LADIES' BASKETBALL

During the past month a group of married ladies of the community have been learning to play basketball. Progress has been good to date. The Ladies' Basketball Club are willing to consider challenges from other groups of ladies in the

community.

Any ladies interested in joining the group, starting another team or interested in issuing a challenge are asked to contact Mrs. Hermans at GR 7-8270.

How about the teen-agers stepping forward and issuing that challenge?

GRIESBACH CURLING CHAMPS

Winners of the Griesbach Ladies' Curling Club with the best record for the season are shown with the Blake Forest Trophy. From the left are Mrs. Mary Robertson, Mrs. Shirley Green, Mrs. Doreen Meisner and Mrs. Vera Park.

2nd Event:

Left to right: Maj. Saunders; Lil Wood, 3rd; Jayce Smith, skip; Mo Brown, 2nd; Sharon Beach, lead.

"GIRLS ON THE ROCKS"

Some excerpts from the diary of the Ladies' Curling Club:

February 10th

Janet Dales took her rink to the Lancaster Park spiel and copped the consolation prize after what some of our severest critics in the gallery (MEN) described as "exceptional curling."

March 11th

Today we started our Griesbach Ladies' Spiel — may the best team win!

March 13th

Spiel continues — competition keen!

March 14th

Doreen Meisner's rink finished up the season as Club champions and for their efforts were awarded the Blake Forrest Trophy. Unfortunately, Mr. Forrest was unable to be present for the initial presentation of the trophy, but Major Hennie, Chairman of the Griesbach Association, did the honours in his usual able and charming manner. The winner of the "B" event was the Mills' rink. The girls are looking forward to meeting the

generous Mr. Forrest at a later date. I have and rrruuff!

March 15th

Went to the Lounge of the P.T. Building at 5:00 for a buffet dinner. Thought we had dropped into the Waldorf by mistake. Only Joe Willerton could have provided such a sumptuous repart. Our thanks, Joe. We could all take lessons from you.

Went from there to the rink. Some of the gals are beginning to weaken under the pressure.

March 18th

The spiel finished today with the following results:

Primary Event — Reliance Moving and Storage Trophy

1st — Jean Willerton, Lollie Osland, Annette McDonald, Doreen Joiner.

2nd — Anna Hamilton, Esther Jessome, Helen Hughes, Jean Maze-rall.

3rd — Adele Wawryko, Marge Armstrong, Lucy Chalifoux, Gwen Jarvis.

4th — Cathy Wecker, Anne Luscombe, Donna Scurr, Joan Marriott.

Second Event

1st — Joyce Smith, Lil Wood, Mo

WIN RELIANCE TROPHY

Major B. T. Saunders presteas the Reliance Moving and Storage Curling Trophy to the Jean Willerton rink. Left to right: Doreen Joiner, Jean Willerton, Lolly Osland and Annette McDonald. Each winner also won a four place Melmac Dinnerware Set.

3rd Event

Maj Saunders; Helen Shewchuk, 2nd; Olive Bruens, skip; Kay Klohn, 3rd; Liz White — sweeping for Gloria Witschen.

Brown, Sharon Beach.

2nd — Shirley Burton, Jean Stron-ski, Jean Scott, Carol Beggs.

3rd — Elsie McIntee, Elaine Vesey, Muriel Basham, Frances Small.

4th — Jan Patterson, Bernice Ronspies, Susan Neve, Mary Hoya-sak.

Third Event

1st — Olive Bruens, Kay Klohn, Helen Shewchuk, Gloria Witschen.

2nd — Inga Freeman, Freda Feredi, Mary Sibley, Lil Rowe.

3rd — Jesse Carlyle-Bell, Blanche Bolster, Helen Kemsley, Mable Stutt.

4th — Noreen Crooks, Eleanor Doern, Lil Lauber, Marion Ashmore.

Lucky draw prizes were won by Tileen Mills, Ruth Mansfield and Lois Switzer.

Consolation souvenir spoons were presented to the unlucky losers.

Door prizes at the banquet were won by Noreen Crooks and Marg O'Dell.

The success of the Ladies' Bonspiel was entirely due to the Bonspiel Committee who donated so much time and effort to this end.

Many thanks also to Reliance

Moving and Storage Company Ltd., Hudson's Bay Company, Sterling Furniture, Birks, Safeway - Plaza, Simpsons-Sears, Dominion Stores - Plaza, Woolworths - Plaza, Safeways, 97th Street, Loblaw's - Plaza, Namao Drugs, who by their generosity contributed the attractive prizes.

March 21st

Had a novelty windup on our regular curling day and had an hilarious time followed by a most enjoyable social hour with presentation of prizes.

Special and well-earned recognition was given Airey, our ice-maker.

March 23rd

Today we entertained four rinks from Lancaster Park and this winds up our curling for this year.

Our thanks to the Executive for providing us with such an enjoyable year. They were all novices at the job and so deserve special praise for the competent manner in which they directed our activities.

See you on the ice next year and don't forget — when the first curling meeting is announced, come out and support your Club!

Boxing

2 PPCLI really went to town during the recent Golden Gloves tournament sponsored by the Optimist Club of Edmonton.

Special awards were won by members of the Patricia's as follows:

Best Novice — Don Metz

Most Sportsmanlike — Otto Hartmann

Most Scientific — Harvey Reti

Otto unfortunately was well on his way to winning the Golden Boy Award when suddenly he ran into one of those punches which put him down. Tough luck, Otto. We thought you were well ahead until that time.

The PPCLI team just missed the aggregate trophy losing out to the Blood Reserve by two points. Tough luck, fellows; you did well with fewer entries.

Results of the bouts are:

Semi-Finals

Feather Novice — G. Nadon (PPCLI), won over David Headman (Hobbema).

Bantam Novice — D. Metz (PPCLI), won over Doug Letendre (Jasper Place).

Metz knocked Letendre down 3 times in the first round and the referee stopped the fight.

Lt. Welter Novice — C. Pompana (PPCLI), lost to Horace Redcrow (Blood Reserve). The decision on this one left much to be desired, however both boys should have boxed.

Lt. Heavy Novice — F. Marks (PPSCLI), kayoed Art Fayant (Jasper place), in 35 seconds of the first round.

Lt. Welter Open — O. Hartmann (PPCLI), won over Bill Titley (Jasper Place).

Welter Novice — J. McGavin (PPCLI), lost to Clarence Little-shields (Blood Reserve). Another tough one as Little-shields was so fast no one could catch him. He should be on the Canadian track team.

Lt. Welter Open — O. Hartmann (PPCLI), won over W. Redcrow (Blood Reserve).

Lightweight Open — W. King

— For —

Home Delivery
Phone GA 2-2173

(PPCLI), kayoed H. Franklin (Cardston) in the first round.

Finals

Bantam Novice — D. Metz (PPCLI) won over D. Coombs (Drayton Valley). Coombs put up a terrific fight for a youngster, but he was badly outclassed.

Feather Novice — G. Nadon (PPCLI) lost to R. Armistead (King Edward Park) by KO in the first round. Nadon never did get untracked for this one.

Lt. Heavy Novice — F. Marks (PPCLI) won over C. Murphy (Federation). A real bruising battle between two sluggers.

Lt. Middle Open — D. Cameron (PPCLI) won over A. Heavyrunner (Blood Reserve). Cameron toyed with his man throughout and made him look bad.

Lightweight Novice — W. Hokan (PPCLI) won over R. Hoggarty of Castor.

Lightweight Open — W. King (PPCLI) lost to M. H. Whiteman (Blood Reserve). King was well ahead until he ran out of steam.

Lt. Welter Open — O. Hartmann (PPCLI) lost to Rufus Coombs (Drayton Valley). Better luck next time, Otto.

Welter Open — H. Reti (PPCLI) won over N. Robin (Jasper Place). Fight stopped KO in 2 minutes 30 seconds of first round.

Best of luck to all 2 PPCLI boxers in the forthcoming Command Championships to be held in Calgary on the 4th, 5th and 6th of March.

Griesbach Boys' Hockey Club

Although hampered by mild weather "A" and "B" leagues completed play and declared winners. In "C" league semi-finals only were completed.

The Canadians in "B" league completed the season undefeated.

Exhibition games were played with RCAF Kingsway by both "B" and "C" leagues.

Play-off results were as follows:
"A" League — Winner — Commandos.

Commandos defeated Warriors.

"B" League — Winner — Canadians.

Series A

Canadian defeated Rangers.
Maple Leafs defeated Red Wings.

Series B

Canadians defeated Maple Leafs.
C League

Series A

Flyers defeated Cougars.
Totems defeated Comets.

Series B — Uncompleted.

Community Sports

Parents and girls of the community are constantly complaining because nothing is being done for the girls; that all the money available for sport is being spent on the boys of the garrison. This of course is partly true. Boys tend to play hockey and football and large amounts of expensive equipment are required; quite naturally then more money will be required for the boys' sports. However, badminton, tennis, basketball and ballet are available to the girls. Despite the availability of equipment and instructors for these sports, girls do not seem to be making full use of this wonderful opportunity of learning and participating in these sports.

The Griesbach Association is most anxious to sponsor any type of sports in the community and urge any group of girls or associations that wish to organize new sports to contact the sports representative, Capt. J. Taylor, Phone GR 7-2644.

Retires

Sergeant George E. Green of Regina, Sask., will retire in May after 21 years service in the Regular Army and 10 years service in the Non-Permanent Active Militia.

A member of the Royal Canadian Engineers, Sgt. Green enlisted in the 14th Field Company, RCE (M) in Regina in 1929 and served with that unit until the outbreak of the Second World War in 1939. He joined the Canadian Active Service Force in September, 1939, and served in the United Kingdom with the Engineers Holding Unit as an instructor. He rejoined the 14th Field Company, RCE, in Holland in 1945 and returned to Canada with that unit.

He has been a fire safety inspector with Western Command headquarters in Edmonton, Alta., since 1955.

Promoted

Corporal Bill Fox of the Royal Canadian Corps of Signals, has been promoted to Sergeant and will be posted to Tdmonton as Message Centre Supervisor with the Alberta Signal Squadron.

Sergeant Fox has been with the Calgary Troop of the Sig. Sqdn. since 1958 as a teletype operator. He was educated in Vancouver and it was there in 1949 he enlisted in the Canadian Army. Sgt. Fox has seen service with the United Nations in Korea 1954, and in Egypt 1957. He is married and has three children, who will also be moving to Edmonton.

Kill a little time now and then. After all, time is killing you.

Deputy D. Records

Captain J. G. Kerr of Ottawa, has been promoted to the rank of Major and appointed Deputy Director of Records at Army Headquarters, it was announced by headquarters.

Formerly a member of the Princess Patricia's Canadian Light Infantry, Maj. Kerr has been a records officer since 1947.

Maj. Kerr, his wife Lillian and their three children James, 19; Jane 15, and Judy, 10, live at 22 Wychwood Avenue.

In America they have a town that is dedicated to promoting peace in the world, it's called Reno.

New Depot Adjutant

Captain Donald S. Robertson of Victoria, B. C., has been appointed Adjutant of the PPCLI Depot in Edmonton.

An officer of the Princess Patricia's Canadian Light Infantry, Capt. Robertson was born in Victoria and received his education at Victoria High School and Victoria College of the University of British Columbia.

Commissioned in the Regular Army in November, 1949, he has been stationed since December, 1957, with the 1st Battalion PPCLI at Work Point Barracks, Victoria.

EASTER SERVICES

The special Easter Services this year are not as ambitious as they were last year but still provide ample opportunity for everyone in Griesbach to fulfill their duty to God. A one-hour meditation on the Seven Last Words from the Cross will be the main service for Good Friday and if anyone feels that one hour is too long, I would suggest that they think back to the three hours that Christ hung on the cross. In the light of this sacrifice, a little of our time doesn't seem too much to give up. Easter Sunday is a Family Sunday and we do hope to see as many of the families in Griesbach as possible come in together. Don't worry about the sound of children's voices. I can assure you they won't disturb anyone and will be most welcome in Christ's ears in view of His love for children.

For the Anglicans in the congregation, Easter Sunday is a day of obligation. There will be a Choral Communion Service at 9:00 a.m., and we would ask them all to be there. Parents should bring their children to the communion rail with them so that on this great day they might receive the children's blessing. The service should be over by 10:15. For all others, there is an 11:00 o'clock service of worship followed by celebration of Holy Communion at 12:00 o'clock

according to the rites of the United Church of Canada. There is no reason in the world why either service on this day should not be conducted with a full Chapel. Remember it was on this day that Christ arose from the dead to give us everlasting life. There is no greater day in the Christian calendar and there is no greater witness of your Christian faith than the act of partaking of His body and blood in accordance with His instructions.

DR. JACKSON'S VISIT

Dr. Constance V. Jackson will again visit Griesbach in April. This outstanding medical missionary will be a guest of the Women's Auxiliary at a reception in her honour on Friday, April 21st, at 8:00 p.m., in the Chapel Conference Room. At this reception, it is planned for the total amount collected from the mite boxes to be presented to Dr. Jackson.

Dr. Jackson will speak at the morning service April 23rd, in St. John's Chapel.

THE GLORY OF EASTER

Years ago the great Swedish Soprano, Jennie Lind, stood on the Sun Deck of a great ocean liner and, on a brilliant Easter morning, sang to an enthralled audience: "I know that my Redeemer lives." And as the beauty of the moment swept them up, more than one eye was wet with tears as the true glory of the resurrection came upon them. For the true glory of the resurrection is, now as it has always been, not in our own personal assurance of immortality but in the simple fact that our Redeemer lives.

A story is told of a great preacher once pacing his study wondering how he could make his people understand something of the glory of the resurrection. Suddenly the realization dawned on him: "Christ is alive!" The words leaped on him like a living flame, "He is alive! He lives! He lives!" Long ago the poet wrote: "Beauty is truth and truth is beauty. That is all ye know on earth and all ye need to know." For the disciples, the very fact that their Lord and Master lived was all they know and all the needed to know. It is the same for us.

THE PADRE.

Love that is hoarded molds at last
Until we know some day
The only thing we ever have
Is what we give away.

And kindness that is never used,
But hidden all alone,
Will slowly harden till it is
As hard as any stone.

It is the things we always hold
That we will lose some day:
The only things we ever keep
Are those we give away.

— Louis Ginsberg.

OUR LADY OF FATIMA CHAPEL

Message From Your Chaplains

On Sunday, April 2nd, we commemorate the most important of Christ's miracles, namely His Resurrection. He Himself chose it as the most conclusive proof of His Divine mission; the Apostles appealed to it to confirm their teachings. The fact of the Resurrection, by itself proves Christ God.

That first Easter Sunday the Apostles were gathered together in the Upper Room, when Christ appeared amongst them with the greeting, "Peace be to you." To each and every one we wish that same spiritual peace. Even though the world be at war striving over material things and materialistic ideals, our wish to you this Easter-time is "Peace be to you, the Peace of soul, the Peace of conscience and Peace in your homes."

Holy Week and Easter Services

Holy Thursday: 4:00 to 5:00 p.m., Confessions.

5:00 p.m. Low Mass for children and others unable to attend later.

7:00 to 8:00 p.m., Confessions.

8:00 p.m., Solemn High Mass of Our Lord's Last Supper.

Adoration: The Holy Eucharist will be left in the repository.

Adoration will take place all night and the following day until 3:00 p.m. Will you be able to watch and pray with Him for one little hour? Make it a family hour of Adoration.

Good Friday: 2:00 to 3:00 p.m., Confessions.

3:00 p.m., Solemn Service of Our Lord's Passion and Death.

8:00 p.m., Solemn Way of the Cross.

Holy Saturday: 10:45 p.m., Solemn Easter Vigil and Mass.

Easter Sunday: 9:00 a.m., Low Mass; 11:00 a.m., High Mass.

CWA Notes

The regular monthly meeting of the CWA was held at the padre's quarters on March 6th, with the President Mrs. Taylor presiding. A short intermission was called in order to let the members present attend Lenten Services in the Chapel.

At the close of the church service Father R. C. McNeill, Chaplain RCAF Station at Lancaster Park, gave a short talk on the last speech of the late Dr. Dooley. This was augmented by a tape recording of the speech.

The main topic for the ladies was plans and preparation for the Bingo which will be held on April 15th at School No. 1, Griesbach Barracks. It was announced that prizes would consist of cash and merchandise with a Jackpot prize of \$50.00. Tickets are now on sale and may be obtained from any member of the CWA.

As busy as our Padres are, they have taken the time and effort to arrange for a sixteen series of lectures on a marriage course. This course is open to all servicemen in the Griesbach Garrison (whether married or not).

Baptisms for the Month

Matthew Grant Reynolds
Richard Allen Joseph Simard
Marina Florence Hawkins
James Robert Mackenzie
Sandra Lee Moffatt
Patricia Jane Brister
Mary Ann McDonald

As Easter is soon upon us, now is the time to prepare to make your Easter duties as required by the laws of the Church.

The Padres at this time extend to all servicemen and their dependents living in Edmonton Area a very Happy Easter.

NOTICE

To all trout inhabiting the lakes and streams of Alberta. Beware! Many an agile angler will be after you shortly.

WOMEN'S AUXILIARY

The last meeting of St. John's Chapel Women's Auxiliary was held on March 14th. We were happy to welcome eight new members during the past month. The turnout to the meetings has been most encouraging to the new executive. We have received complaints about small children canvassing the camp with our "Mite Boxes." Though we admire the ambition of these youngsters, this procedure was not our intent, and we ask the mothers to please restrain the children in the matter. Mite Boxes are offered by members of the W.A. to any family who may wish to contribute a few pennies to the mission of Ludhiana-Vellore which is a project of the W.A.

On Friday, April 28th, the W.A. will be holding a reception for Dr. Jackson and we ask the members to please keep this date open.

We have planned an Easter Party for the children of the Ex-Servicemen's Children's Home on April 8th. Please make an effort to join us at the Home.

"BRIGHTSHINE" SINK

All-Canadian "Brightshine" sink is made from high-impact, heat resistant acrylic plastic. This sink is resistant to stains which normally come from materials used in the kitchen; does not discolor with age; and the manufacturer claims that it is more resilient than metals and so reduces dish breakage. Abrasives are not necessary to keep it clean — just warm water and soap. An additional feature is the transmission of diffused light by the sink to illuminate the cupboard area beneath the sink. It weighs only 5½ lbs. and installation is identical with that of standard, modern kitchen sinks.

Griesbach Young People's Assn.

As we swing into spring, the club finds itself with 124 very active members and total assets of \$254.64. We also have amassed 12 hit recordings which are used at the Snack Bar Annex and at record hops held in the school.

* * *

Orders are now being taken for club sweaters and crests, both of which are excellent buys. The sweaters are a fine quality fairly heavy wool and nylon, which should be quite shrink-proof, and feature an emerald green design on a white background. Two styles are offered: a zippered style costing \$9.50 and a Perry Como sweater at \$10.00. The crest, too is, emerald green and white. It features two dancing figures on a record and is enclosed by the green crest outline. In fact, it is exactly the same as the crest featured on the club membership cards. This is a good-looking crest suitable for wear not only on the club sweater, but also on a sweater or jacket which one may already have. Name bar, which costs approximately 60c, may also be ordered for the sweater.

The type of crest the club desires is known as Swiss Embroidery and is for sale at a minimum order of 84. For this reason the club is seeking financial backing, and plenty of advance orders in order to justify the purchase and risk. We should have both by the time this report is read. However, in case backing cannot be gained a different type of crest may have to be chosen, which may result in an increase in retail price to members. The type we want would cost from \$1.50 to \$1.65 to the members. Submit orders to Bob Lucas and include a \$5.00 down payment for the sweaters.

* * *

The Griesbach Young People's Association has been asked for the first time, to present the Grade 9 Graduation Dance at School No. 1. This function will take place on May 27th, and music will be provided by Hank Smith and the Maddisons, and if possible Bouncing Barry Boyd to MC. We are pleased and honoured to be entrusted with this task.

* * *

Radio announcer Barry Boyd, MC'd, a CJCA Platter Party with a "Bums Day" theme, on Friday, March 10th. Around 200 people paid a total of \$62.50 to attend the dance. Verna Delaney presented club sweater to Barry, on behalf of the YPA, in appreciation of his support, through radio, of teen activities and football in the area. But all was not ice cream and candy for Barry, as he had a few anxious moments towards the end of the dance. A contest was being run in which it was the job of Barry's assistant, Marj., to go out and tag a girl on the floor then dance with her partner. The un-

lucky girl, in turn, had to tag someone else and so on. At frequent intervals the music stopped and the girl "caught" had to leave the floor with her original partner. Eventually only one couple would be left to win the prize. During the excitement Marj. collided with someone and was rendered unconscious for almost two minutes. She soon arose, however, a little weakly perhaps, and got a terrific hand from the crowd. We hope this doesn't happen too often. In addition to the two albums won by Ron West of Namas and Olga Youmatoff of Griesbach, about 20 single recordings were given away. Jim Salmond took pictures to go in the club album.

* * *

In addition, a record hop was held on March 3rd and was well attended. Immediately the next day the record player was fixed by Sgt. Morseby at the POW Armouries. Thanks go to him and to Cadet Sgt.-Maj. Bob Lucas and Militia Sgt. Palmer.

In April entertainment-wise, the School No. 1 Students' Union are holding a dance on April 7th with the Pacers playing.

The YPA will host the Pacers again on Saturday, April 15th. Dress is casual (NO JEANS), and admission will be 35c for members and 50c for non-members. Two of the current top albums will probably be given away. Bring your membership cards.

* * *

Depending on how one looks at it, a belated or an early general meeting will be held in School No. 1 on April 21st. We would ask the members to bring ideas for a talent show to the meeting or see Bob Middlemiss.

* * *

See the Teen Sport Section for more news.

10 DET. RCAMC SELECTED TO REPRESENT THE WESTERN PROVINCES FOR THE MARY OTTER TROPHY

Col. K. J. Coates Command Medical Officer Western Command who recently conducted an elimination of Provincial Military First Aid Trophy winners, has selected 10 Det. RCAMC to represent the Western Provinces in competition for the Mary Otter Trophy, a symbol of Dominion Military First Aid championship. In February the 10 Det. RCAMC had won the right to compete in the inter-provincial eliminations against Manitoba, Saskatchewan and British Columbia by defeating all other entries from Alberta.

The team members representing 10 Det. RCAMC are:

Cpl. D. R. Bruce (team captain), Sgt. R. A. McLellan, Sgt. E. F. Vantassel, Cpl. G. A. Von Hagen and Pte. W. L. Tibett.

Promoted

Lieutenant Patrick Austin of Calgary, Alta., has been promoted to the rank of Captain, it was announced recently by Army Headquarters.

A member of the Royal Canadian Army Pay Corps, Captain Austin is with the Alberta Area pay office in Edmonton.

During the Second World War he served with the British Commandos in Italy, Egypt, Iraq and Greece. He joined the 2nd Battalion, The Royal Canadian Regiment in 1950 and saw service in Korea with that unit. He was commissioned in 1952 and was posted to Canada's NATO brigade in Germany with the 1st Battalion, Queen's Own Rifles of Canada until 1953.

His wife, Virginia and their three children live at 14716 - 101A St., Edmonton.

With D.P.R.

Major P. A. Mayer, MBE, CD, of Ottawa, was appointed a deputy director of Army Public Relations

Promoted and Posted Middle East

Lieutenant Edward C. Taylor of Vegreville, Alta., will be promoted to the rank of Captain on April 3, and posted to No. 56 Canadian Signal Squadron in the Middle East in June.

A member of the Royal Canadian Corps of Signals, Capt. Taylor is stationed at Camp Wainwright, Alta., with the Alberta Signal Squadron detachment.

He enlisted in the 19th Alberta Dragoons in 1929 and served with that unit until 1935 when he joined

on March 1st, it was announced by Army Headquarters recently.

An officer of the Canadian Guards, Maj. Mayer recently returned from a 16-month tour of duty with the Canadian delegation of the International Truce Commission in Indo-China.

the Royal Signals of the British Army. Capt. Taylor saw service on the Northwest frontier of India from 1937 until 1944. He joined the Royal Canadian Signals in 1946 and has served in various signals installations in western Canada and with the 27th Canadian Infantry Brigade Group in Germany from 1951 to 1953.

His wife Dorothea, lives in Camp Wainwright.

Announce Awards

Edmonton, Alta. — Ten Edmonton soldiers have been awarded the Canadian Forces Decoration, it was announced recently by Army Headquarters. One has received the 1st clasp to the decoration.

They are: Major W. O. Nugent, Royal Canadian Army Chaplain Corps; Lieut. A. G. Rose, Royal Canadian Electrical and Mechanical Engineers; Quartermaster Sergeant (WO 2) R. L. Bird, Royal Canadian Corps of Signals; Battery Sergeant-Major (WO 2) C. A. M. Marr, Royal Canadian Artillery; Staff Sergeant J. H. Anderson, Canadian Intelligence Corps; Sergeant S. P. Ingham, Royal Canadian Army Pay Corps; Sergeant S. G. Ropchan, Royal Canadian Corps of Signals; Sergeant J. H. Slater, 19th Alberta Dragoons; and Sapper G. D. Imlay, Royal Canadian Engineers. Sergeant D. H. Oaks, CD, Royal Canadian Ordnance Corps, received the 1st clasp.

The decoration is awarded after completing 12 years exemplary service in the Canadian Armed Forces and the 1st clasp after 22 years.

YPA Models

Griesbach Barracks Teen Club tackled the field of modelling on Saturday, March 18th, at a Spring Fashion Show and Tea, held in the Camp's No. 1 School. The proceeds go to one of the charities supported by the club. From the left are Carol Meeks, Donna Mooney, Joan Gorsell, Ann Hardage, Vicki Pasch and Barbara Mazeroll.

10 SDB NEWS

ARRIVALS

To Sgt. Poitras, our new staff member, thrice welcome, and may your stay be long and prosperous. All spinsters take notice; he owns a new Rambler, and enjoys a life of unmarried bliss.

DEPARTURES

To Pte. Blais, our best wishes for a successful completion of that Jr. NCO Course. Yes, there are worse places than Wainwright. No, we cannot name any.

HOSPITAL

To Capt. Lawlor, congrats on your successful escape from Col. Mewburn after two weeks hospitalization. Now back on duty and pulling for Les Canadiens.

To S/Sgt. Wood and Sgt. McConnell, our condolences on your enforced incarceration in the same place. Hurry and get well, fellows. The grass grows greener every day.

SPORTS

To Joyce Smith (skip), Sharon Beach (lead), Mo Brown (second), Lil Wood (third), congrats on your fine showing in the Griesbach Ladies' Mixed Bonspiel 11th to 18th March. Flash won "B" league.

YOUNG PEOPLE'S FASHION SHOW WELL ATTENDED

2 PPCLI Live It Up

Prize-winning entry in the 2nd Battalion PPCLI company parade on their regimental birthday on March 17th which coincides with their Colonel-in-Chief's, the Lady Patricia Ramsay, was this jalopy entered by Headquarters Company. The car towed a mobile orderly

room spewing smoke. The high jinks were preceded by a short formal parade at which the Commanding Officer Lt.-Col. Charles Hamilton read best wishes received from the Colonel-in-Chief and senior officers of the regiment. Receiving special mention were

four soldiers on parade whose birthdays coincide with Lady Patricia Ramsay's. Also part of the parade were presentations of the Canadian Forces Decoration to Capt. Jean Pariseau and Sgt. J. E. Hood.

GENERAL NEWS

The battalion is now engaged in a period of individual training with the maximum number of personnel attending courses.

The Alberta Area study group for Lieutenants and Captains writing their qualifying exams, started in Calgary on March 6th.

On March 17th, the battalion celebrated the anniversary of the birthday of the Colonel-in-Chief. The day commenced with an all ranks parade and the reading of telegrams. This was followed by a parade of companies with each in a costume of its own design. First prize went to Headquarters Company with a float designed to represent the Transport Section at work. The runner-up was "B" Company whose members were dressed to depict the Patricias of 1914-18.

At the completion of this parade, the inter-company broom-a-loo, snowshoe tug-o-war, and sled races were held with Support Company winning the broom-a-loo by the toss of a coin over "C" Company.

Headquarters Company pulled themselves to victory in the tug-o-war by defeating "A" Company in the finals. The PPCLI Depot outran all other opponents in the sled race and brought home the "prized" trophy.

The morning came to a climax with the Officers defeating the Sergeants in a "murderous" game of broom-a-loo. The day terminated with a mixed formal Dining-in-Night in the Sergeants' Mess and a Junior Ranks dance held in the Physical Training Building.

Eye-catching entry in the PPCLI regimental day parade was this platoon of Patricias cleverly decked out with improvised gear to appear as a platoon of 1914 Patricias would have done. The entry won second prize.

Part of the day's celebrations on the PPCLI regimental birthday on March 17th, were inter-company sports stressing the winter side of things. Here a company team struggles around the course in sticky wet snow. Team of recruits from the PPCLI Depot won the event.

lan.

A door prize of a DuBarry make-up kit was won by Pat Dales.

The whole teen organization is to be congratulated for their effort and a job well done.

Support company mocked their own weapons in the PPCLI regimental day parade. In background are king-size slingshots, presumably the regiment's secret weapon.

Officers' Mess entry in the March 17th festivities of 2 PPCLI was the result of a punny officer's idea highlighting the situation in the Congo. Here their glorious leader delivers a smart scimitar salute to Alberta Area Commander Brig. J. S. Ross, who reviewed the parade.

Sgt. J. E. Hood, 10203 - 149th Ave., Griesbach, receives the Canadian Forces Decoration from Lt.-Col. Charles Hamilton on the PPCLI regimental parade at Hamilton Gault Barracks, March 17th.

Part of the officers' mess entry in the PPCLI regimental day fun parade was the commanding officer of 2 PPCLI, Lt.-Col. Charles Hamilton, here in a stew (presumably, Irish, the day bein' St. Patrick's an' all) tended by his officer-cooks.

the past few days. We have often wondered which there is the most of and which is the worst traffic hazard, bikes or sleighs.

We wish to thank you and to compliment you for your safe driving during the winter months, in that there has not been one child injured with all the poor road conditions. The number of children playing on the roads again has increased due to the fact it is the only dry spot in the area. Again we ask you to be extra careful when meeting or passing the children.

Since our last news item we have lost L/Cpl. D. A. Tebb to 1 PPCLI; L/Cpl. A. J. Ryan to 22 PPCLI and L/Cpl. Goodman has been posted to Fort Churchill.

GENERAL NEWS

(Continued from Page 16)

SPORTS

The battalion competed in the Alberta Area boxing finals and placed far ahead of all other competitors with wins in all open classe and only two losses in the novice division. These boxers will now compete in the Command boxing finals to be held in Calgary on April 5th and 6th.

The Alberta Area volleyball finals were held in Camp Wainwright on March 10th. Headquarters Calgary Garrison minor units composite team defeated 2 PPCLI in the final matches.

The unit hockey team placed second in the Edmonton Hockey League and are now playing the semi-finals against Imperial Oil. The finals will be held with the winners of these two teams playing the winner of the City Police and the Edmonton Fire Department.

OFFICERS' MESS NEWS

On February 22nd a Mess Dinner was held with honorary members of the Mess attending.

On March 17th, the officers again defeated the sergeants in their annual broom-a-loo contest. It was rumored that the sergeants were out for "sweet" revenge after their 1-0 loss last year, but this failed to prevent the officers from scoring another win this year.

The day concluded with a mixed formal Dining-in-Night at the Mess.

SERGEANTS' MESS NEWS

The weekly bingo games continue to attract a good number of players each Saturday night; we are glad to note that numbers of other messes and their ladies are also attending.

As our annual mess games tournament is now under way, positive proof of "misspent youth" is apparent, particularly in a group of dart throwers who appear to be Mau-Mau trained in spear throwing.

Our curling bonspiel, which took place on March 25th and 26th, finished off a most enjoyable season. A list of the winning rinks will be published in the next issue.

Our Colonel-in-Chief's birthday was celebrated on March 17th. The main event of the day was of course, the broom-a-loo game between the officers and the sergeants, played at 1200 hrs. This form of mutual mayhem was

played under rules strictly Patrician. One neutral observer last year was heard to mutter something about "but the NHL rules" prior to wandering off in a state of shock.

A mixed informal, Dining-in-Night finished off our day.

CORPORALS' MESS NEWS

The Mess commenced the first of a series in Snowball Cash Bingos on Thursday, March 30th, in the P.T. Lounge; it is also expected to hold a Barn Dance at the end of April.

On the 3rd of March, L/Cpl. Bobby Neill was the winner of the \$250.00 jackpot at the Battalion Bingo.

Congratulations to Cpl. and Mrs. Larry Reeleder on their recent addition to the family, a boy born during the month of March, and to A/Sgt. Ollie Vold on his promotion.
